**** In order to maintain Member status, the Voluntary Contribution must be equal to the lesser of (a) $1,000 and (b) the full amount of the fees payable.***

This means: a refund of your full levy (leaving no Voluntary Contribution) will end your membership; a partial refund keeps your membership as long as your Voluntary Contribution stays at or above that minimum; and the membership year runs March 1 to the last day of February. If a refund drops you below the minimum, you can rejoin by paying the Association up to the minimum for the current year.
